## **The Main event at PHEX**

For 30 years, the Main brand has been synonymous with simple to use, affordable water heating solutions. Later this year, the company is further expanding its product portfolio with the introduction of a range of high efficiency boilers which will be showcased at the later PHEX shows.

The new SEDBUK Band A rated boilers will complement Main's existing HE, combi and system models, providing installers with effective solutions in order to provide even greater energy efficiency to the homeowner.
